## ACKNOWLEDGEMENTS

Thanks to the many people who have supported me in the work on this project. Any failings in this book are mine and not theirs.

Thanks to Laura Lopata and Ben Henderson for coaching. Much appreciation to the real Ashby Bryson and Lynn Hendry for teaching me the value of history.<sup>1</sup>

Special thanks to all my deep listeners: Jim Stahl, Judith Black, Laura Packer, Jonathan Berlowe Binder, Cooper Braun-Enos, David Adler, David Kovar, Adam Gertsacov, Ket Fox, Heather, Daren Bulley, Charlie Westcott, Elaine Binder (thanks, Mom!), Lev Poplow, Matt Lincoln, Judy Landau, Don Reese and Shari Evans – and anyone else who I’ve forgotten.

More thanks to: Manuel Cordeiro at Designer 151 Studios and Hope Barney for listening and graphic inspiration; T. Michael Rock for more listening and moral support; Keith Fayan for listening, laughter and legal advice; Jeannie Donato, Larry Shushansky, and Simon Brooks for long sounding board conversations; Harry Binder for his Rocket League expertise; Samwise Gamgee Bell, Illya Methot, Aina and Gohan Schubert, and Yonah Streitfeld; Brian and Chris Delaney for their unexpected roles in my life; Max Binder for his edge and moral support; Francesca Binder because she’s awesome (listen to her music!); Mo Methot, Vika Richter and Heather Binder for playing on the soundtrack.

Thanks to the early advance readers: Andrea Kamens, Chris Delaney, Lisa Niebels, Sonia Richter, and Roger Blumberg. Thanks to Brian Robert for his “principal” line editing, and Nina Rooks for her proofreading eye.

And kudos to Joe, Joe, and all the folk at Malachai’s coffee on Ives Street in Providence, which is where much of this book was written under the influence of caffeine: we need more human places like yours.

And final thanks (again and always) to Heather for listening always and frequently.

---

<sup>1</sup> Please don’t think that they are anything like the characters in the book.
